

Humility is putting others first by giving up what you think you deserve.

DAY 1

Read Philippians 2:3

Grab a sheet of paper and write today's verse.

Put a BIG box around the word "anything."
What does that word include? Well, everything!
If you find yourself doing something just to get ahead or win or be first, don't! Instead, you should what? Yes, be humble.

The next time you find yourself doing "anything" to get ahead, stop. Remember what Jesus has done for you and ask Him to help you put others first this week.

DAY 2

Read Philippians 2:5-6

Since 1837, Buckingham Palace has been the official London home of Britain's monarchy. It takes a lot of people to run a palace with 600+ rooms. They even have two people who just take care of the 300 clocks inside!

How many people do you think work at the palace?

When Jesus came to earth, he was way more influential and important than any king or queen. But he didn't build a fancy palace or expect other people to serve Him. He came to serve. He humbled himself, going all the way to the cross for us. We should put others first because Jesus put us first.

What's Missing?

Fill in the missing letters below. Pray and ask Jesus to help you think and act like Him this week.

"A..... youea..... i.....

o.....e a.....oe, you

.....ou..... i.....

a..... a..... a..... e.....u.....

.....i....." Philippians 2:5, NIV

Answer: around 400 people work to keep the palace running

DAY 3

Read Philippians 2:7

Paul talks about how Jesus chose to come to earth and live a poor life instead of entering the world as a rightful king or powerful ruler. Jesus came to serve, to love others, to help, and most importantly to SAVE. Because of His obedience to live this way and to die on the cross for us, we can have a relationship with God forever. Jesus gives us the ultimate example of humility by choosing to put us first.

Take out a piece of paper and write the word "JESUS" in large block letters in the center of the page. All around the page, write out words that describe how you could become more like Jesus. Here are a few examples to get you started: loving, listening, serving, helping.

Ask God to help you follow him by putting others first this week.

DAY 4

Read Philippians 2:8

Jesus chose to put us first. When you follow Jesus, you can put His love into action. You can treat everyone around you like Jesus treated people in His life.

Because Jesus *listened* when people were hurting, you should listen well.

Because Jesus *showed compassion* to the people around him, you should show compassion.

Because Jesus *taught others about God*, you should tell others about Him.

Because Jesus consistently gave up what he wanted to *put others first*, you should put others first too.

Think of someone who you can put first. In the space below, write one way you could put that person first sometime this week. Be specific.

Ask God to help you follow through on what you've written so you can put others first just as Jesus put you first.

Put others first because
Jesus put you first.
