

Welcome to Prince of Peace! We are Happy You are Spending Easter With Us!

by Pastor Jason Kramme

Mary Kay is the reason I got connected to the praise band in my home church. Bryan is the reason I got connected to campus ministry at my college. Chris is the reason I got connected to young adult ministry when I moved from Iowa to Minnesota.

Hopefully, you're noticing a pattern.

Everywhere I have called home during my faith journey has started with someone who chose to be my guide. Someone interested enough in me that they went out of their way to help me take the next step and connect at a deeper level.

At Prince of Peace we are called to connect. Called to connect with God. With one another. With our neighbors across the street and across the globe. With you.

We take our call seriously. We are interested in helping you connect. That's why we have Connect Path Guides. This team of volunteers can help you create a Connect Path, your own unique journey to connecting to God, to others and to the community. Are you looking for service opportunities? Are you interested in classes? Maybe you are searching for a support group, or maybe just a group of people to share conversation with? No matter how you choose to connect, our Connect Path Guides can help you find the next step.

If you are ready to take the next step or just want to know more, stop by the Connect Desk in the Community Room or email to connectpathguide@popmn.org.

Jason Kramme is the Pastor of Spiritual Formation & Stewardship at Prince of Peace.

Arise | New Worship Series Starting April 23-24

After the resurrection, the early Church wondered when Jesus would return. In time they realized that what mattered was not when Christ would appear to them, but how Christ would appear in them, among them, and through them. They were to be his hands, his feet, his face, his smile, his voice...his embodiment on earth. The Spirit was calling them to Arise! And that same Spirit is calling us – the Body of Christ – to Arise, too. Join us for this worship series as we explore that calling and are inspired and equipped to respond.
