### See It

Try mixing a tablespoon of cooking oil into a glass of water. What happens?

### Hear It

Have you ever been so hungry that you could hear your tummy growl? What animal makes a similar sound?

### Talk About It

1. What kind of food and drink do you wish you would to never run out of?
2. Where do you get the food you eat?
3. Share about a time when you met a new friend.
4. Who did the widow listen to in this week's Bible story? Is there more than one correct answer?

### Live It

**For families to do together:** Before your next meal, take a long walk as a family. When you're REALLY hungry and thirsty, share a meal and say thank you to God for providing the food.

**For pre-k kids:** Ask a family member to help you bake your favorite kind of cookies. Bring some to a neighbor as an unexpected gift.

### Pray It

Dear God, when we listen to you, you provide everything we need. Thank you for giving us friends to help us and food to eat. In Jesus' name we pray. Amen.
