Bible Time Fact

Moses had a speech impediment, but he trusted that God would help him deliver an important message to Pharaoh.

Bottom Line

God has a job for me.

See It

The Israelites in this week's story had to work hard making bricks for Pharaoh. Look for buildings made out of brick. Do you have anything made from bricks in your home?

Hear It

Listen for God's voice in the words of others, in the sounds of nature, or in music.

Talk About It

1. What jobs would you like to do when you grow up?
2. What difficult thing have you been asked to do?
3. God is always with us. What words can we say to encourage our friends and help them remember that God is with them?
4. Tell a personal story about a time that being persistent and refusing to give up led to a positive result.

Live It

For families to do together: Play a game of charades and act out different kinds of jobs without using any words.

For pre-k kids: Pretend you are Moses. Practice standing tall in front of a mirror and saying in a firm voice, "Let my people go!"

Pray It

Dear Lord, help us to obey with courage and faith when you give us a job to do. In Jesus' name we pray. Amen.
