

Integrity is choosing to be truthful in whatever you say and do.

Read: Galatians 6:9

DAY

1

Wherever, Whenever

Being truthful with your words and actions isn't always easy. We need to practice. Find an adult and practice being truthful by acting out the moments below.

- ➔ You drew on the couch by mistake when you were coloring. When your mom asks what happened, what do you tell her?
- ➔ It's your turn to walk to the school library to pick out a book. You know that you're supposed to go right there without any other stops, but your best friend's classroom is just two classes away and you could quickly wave to them. What do you do?
- ➔ While you are taking a spelling test at school, your friend's paper dropped to the floor and you saw all their answers. What do you do?

ASK God to help you choose to be truthful with your life.

DAY

2

Doing Good

Think of something good that you can do for someone in your neighborhood. Talk with a parent and think about how you can help people you know. Maybe you could pick up twigs in the yard or water someone's plants? What can you do to "do good?"

LOOK for ways that you can do good.

DAY

3

Gather It

With a parent's permission, cut a sheet of paper into different sized pieces. On each piece of paper, write a word or short phrase from this week's verse. After writing out your verse, spread the cuttings out on the ground around you. "Gather" the crop (verse) and put it in order of the verse.

KNOW God will help us to not give up in doing good.

4

Wherever You Are

"Dear God, I know that you know what is best for my life. I pray that I can always know what the right thing to do is. Thank you for listening when I don't know what to do. God, help me to make the wise choice to be truthful with my life. Amen"

KNOW that God will help you know to do what's right.

Do what's right wherever you are.

**Practice integrity by playing a few games
of tic-tac-toe with a friend. No cheating!**
