

# Love is showing others how much they matter to you.

Read: Isaiah 41:10

DAY

1

## Trust

Ask someone you trust to do a trust exercise with you. Talk together about something you want to accomplish. Is it getting from one side of the room to another, making a snack, or making your bed? One of you will close your eyes and the other person will say directions to you to complete the task. Then, switch places!

**KNOW that you can trust God no matter what.**

DAY

3

## Always There

God is always there for you. No matter what you do God will always love you. Look up this week's verse and say it out loud. Echo read this verse with someone in your house. To echo read, the first person reads a small section of the verse and the other person repeats it. Do this until you have read the whole verse.

**THANK God for loving you always.**

DAY

2

## You're Loved

Draw or list the ways that God created you that make you special and unique. What do you love to do? Where do you love to go? How do you like to spend your play time?

Using this list, you can see how God has created you as one of a kind! You are special and God loves you no matter what.

**LOOK out for times when you feel uniquely you and know God loves you at that moment.**

DAY

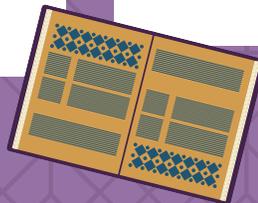

4

## Always Loved

God loves you no matter what you do, did, or will do. Pray and thank God for always loving you.

Dear God, thank You for showing me what love is. You love me no matter what I do. Help me to do good, but thank You for loving me even when I don't. I pray that I can love others like You love me. Amen.

**ASK God to help you love others even when it's hard.**

God loves us no matter what.
