

MY PLAN

We all

mess up! And when we do, it's

easy to feel guilty or worry that Jesus doesn't want to

be close to us. But there's always an opportunity for forgiveness

and grace. Use this space to help you think about what steps you'll take to

move toward Jesus the next time you fail or mess up.

I can invite Jesus into the middle of my failures because I know He still loves me no matter what. Instead of giving up when I make a

mistake, I can move toward Jesus by:

THERE IS NO FAILURE THAT CAN
CHANGE JESUS' LOVE FOR ME.
