DIG DEEP: DISCOVER WHAT MATTERS MOST

WISDOM | Finding out what you should do and doing it

When Jesus was a boy, He grew in wisdom. God wants us to discover wisdom, too. When we make a wise choice, we reflect the character of Jesus to the people around us. That's why having a strong foundation of wisdom is important. Wisdom equips us to face whatever choices come our way.

MORNING TIME

During breakfast some morning, ask your kid about the best thing that's happened to them lately.

Reflect back by spotlighting something in their experience that demonstrates something good in them. (For example, you're a really good friend, you study hard, etc.)

MEAL TIME

During a family meal (or as you are waiting in line at a fast-food drive-through), take turns sharing about a recent time when you chose to think before you acted. How did you remember to think first? Did it result in making a better choice?

DRIVE TIME

While on the go between activities, ask your kid, "Tell me something new you learned this week."

(It can be a joke, a new skill, an interesting fact, etc.)

BED TIME

Let your kid know how you see them showing wisdom in the friends they have and the choices they make when with those friends.

THEIR TIME

Encourage your kid(s) to spend time each week during this series working through their age-specific GodTime cards. You can choose to do these devotionals with your child(ren) or allow them to work independently. Either way, be sure to take the opportunity to talk with them about what they are learning about God and their faith.

FAITH5 | Faith Inkubators

SHARE your highs and lows

What was great about today? What was tough? Reflect on your day and share a high and low with one another.

READ a Bible verse or story

It's time to open God's word. Any story or verse will do. The monthly and weekly POP Kids verses are a great place to start.

TALK about how the Bible reading relates to your highs and lows

How does what you just read relate to where you are today in your highs and lows. What might God be trying to teach you through this particular Scripture on this particular day?

PRAY for everyone's highs and lows

Offer your hearts and minds in prayer. Simply talk to God. Thank God for His goodness and ask for guidance as needed.

BLESS one another

Trace the sign of the cross on one another's forehead as a reminder that you belong to God and to one another. Make eye and heart contact as you share words of blessing such as "You are a beloved child of God."
