**THINK TANK:**  
**Put your knowledge to the test**

Knowledge | Learning something new so you can be better at whatever you do

God is the author of knowledge. Everything we know to be true about the world is because of God. And while we may never know all there is to know ABOUT God, there are lots of ways we can get to KNOW God. We can know God best through Jesus, who showed us how much God loves us and showed why knowledge is so important. The more we know God, the better we can live God's way each day.

**MORNING TIME**

As often as possible as your kid starts their day, tell them about an area where you see their “smarts” (academic or otherwise) and why you admire them for it.

---

**MEAL TIME**

During meals together this month, discuss these questions:

- “What is something that you know is true?”
  - “What is something you know about God?”
  - “What is something new you’ve learned about God?”
- 

**DRIVE TIME**

While on the go, brainstorm with your kid(s) about the following: “How can we grow to be more like Jesus and love others the way Jesus does?”

---

**BED TIME**

Pray for each other: “Jesus, help us always to remember what you say about who You are, who we are, and how much You love us. Help us grow in our knowledge of God, so we can better live God’s way each day. Amen.”

---

**THEIR TIME**

Encourage your kid(s) to spend time each week this month working through their age-specific GodTime cards. You can choose to do these devotionals with your child(ren) or allow them to work independently. Either way, be sure to take the opportunity to talk with them about what they are learning about God and their faith.

**SHARE** your highs and lows

What was great about today? What was tough? Reflect on your day and share a high and low with one another.

---

**READ** a Bible verse or story

It’s time to open God’s word. Any story or verse will do. The monthly and weekly POP Kids verses are a great place to start.

---

**TALK** about how the Bible reading relates to your highs and lows

How does what you just read relate to where you are today in your highs and lows. What might God be trying to teach you through this particular Scripture on this particular day?

---

**PRAY** for everyone’s highs and lows

Offer your hearts and minds in prayer. Simply talk to God. Thank God for His goodness, and ask for guidance as needed.

---

**BLESS** one another

Trace the sign of the cross on one another’s forehead as a reminder that you belong to God and to one another. Make eye and heart contact as you share words of blessing such as “You are a beloved child of God.”
